## **Scott Greiper to Moderate Cyber Security Conference at the UK Consulate**

*Session to Focus on Network Vulnerabilities and Solutions*

**(New York, N.Y. – November 15, 2010)** We are pleased to announce that Scott Greiper, President of Secure Strategy Group, will be the moderator for a conference on Cyber Security at the British Consulate on Monday, November 15th. The conference is being sponsored by UK Trade & Investment (UKTI), the UK government department that helps UK-based companies succeed in international markets and assists overseas companies to bring high quality investment to the UK. The all day event will be followed by an evening reception at the British Consulate, sponsored by Her Majesty's Consul General, New York, Sir Alan Collins KCVO CMG and Lady Collins.

The conference will focus on vulnerabilities and solutions to the ever-growing problem of cyber attacks against government and commercial networks. Panelists will include representatives from the UK and US governments, and senior executives from leading private sector organizations.
